HighSea Yachts International LLC
establishes an annual presence across
South Florida's **"Big Three"** elite boat shows:

Discover Boating Miami International Boat Show (MIBC)
Annually: Mid-February

The largest boat and yacht show in the world, generating over \$1.3 billion in economic impact and welcoming more than 100,000 visitors annually. Broker Presence: HighSea Yachts takes advantage of the multi-location layout—specifically the in-water luxury exhibits like the Miami Beach Yacht Collection on Collins Avenue and Superyacht Miami at IGY Yacht Haven Grande—to showcase 30- to 150-foot motor yachts and high-end brokerage

Palm Beach International Boat Show (PBIBS)
Annually: Late March

A highly exclusive, relaxed, and targeted show along Flagler Drive in West Palm Beach. It draws an incredibly wealthy demographic and is widely considered the most efficient show for closing major superyacht transactions. Broker Presence: HighSea Yachts utilizes Palm Beach's more intimate, accessible layout to curate bespoke, private viewings for VIP clients who want to bypass the massive crowds of Miami or Fort Lauderdale

Fort Lauderdale International Boat Show (FLIBS)
Annually: Late October/Early November

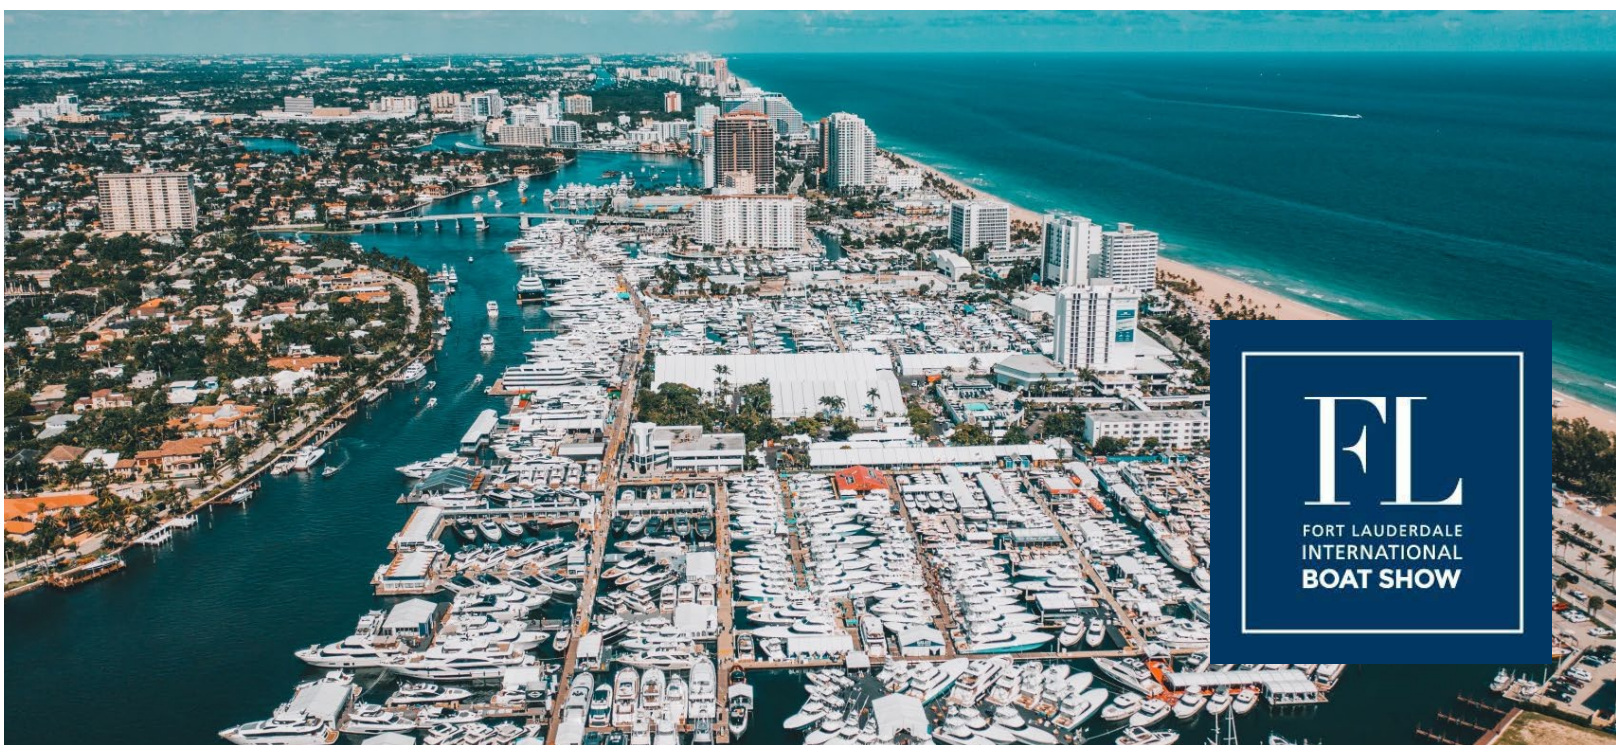

The largest in-water boat show on earth, spanning 90 acres and seven marina locations. It is the absolute centerpiece of the global yacht industry. Broker Presence: Operating right in the heart of the global market, the firm utilizes FLIBS to push its top-tier inventory. They focus heavily on the Superyacht Village at Pier Sixty-Six and primary brokerage docks to cater to serious international buyers and close high-profile sales.

Pristine & Turn-Key: Never chartered, impeccably maintained, and fully serviced. Owner is motivated to sell and move up—don't miss this opportunity!

The 2022 Y85 is classically a Princess. The refined full-length hull glazing complements the elegant Y Class styling, encompassing a meticulously crafted sanctuary within. And powerful technology delivers exceptional performance at sea.

Elegant and stylish, this Y85 takes the traditional flybridge yacht to new heights. Light floods through the generous indoor and outdoor spaces, revealing beautifully crafted surroundings finished with the finest materials. The result is a rewarding, exhilarating experience unlike any other.

The elongated main deck of this 2022 Y85 Princess offers generous entertaining spaces. The saloon's circular dining area comfortably seats eight guests. And the flexible galley arrangement allows for the utmost privacy, with the crew able to move discreetly around the yacht.

Below, four cabins are flooded with light from the sweeping full length hull glazing. With twin MAN V12 engines!

The 2013 Pershing 82 “MILAGROS”

Described as “a missile disguised as a yacht,” the 2013 Pershing 82 MILAGROS combines pure luxury with speeds up to 47 knots (38-knot cruise). Powered by Twin 2435 HP MTU engines (~1,900 hours) with Searex Surface drives, she features expansive outdoor living spaces—including a flybridge with 360-degree views, bow sunpads with a retractable awning, and aft alfresco dining. Navigation and comfort are backed by Furuno electronics, bow/stern thrusters, twin 23kW Kohler generators, and underwater lighting.

The bright interior is finished with oak woodwork, Italian fabrics, and expansive windows. By placing the galley below in the crew quarters, the main saloon offers maximum open space. MILAGROS accommodates six guests in three en-suite staterooms with Fendi linens—highlighted by a full-beam master suite with a king bed and walk-in closet, alongside a VIP queen and twin cabin. A lower-deck media room provides an additional private retreat.

Truly turn-key, MILAGROS has undergone major recent upgrades. Mechanical updates include a 2,000-hour engine service with new injectors, serviced turbos, generator maintenance, refurbished props/surface drives, and a new A/C unit. Freshly refreshed throughout, she also boasts new batteries, a standalone sound system, fresh bottom paint, re-upholstered flybridge chairs, and newly painted deck tables and transom.

Benefiting from more than \$400,000 in documented expenditures under her current ownership, this stunning high-performance motor yacht offers an exceptional blend of power and turnkey reliability. She is driven by twin 2,000-horsepower MTU 16V2000 M91 diesel engines mated to Arneson Surface Drives, delivering exhilarating speeds and a combined 4,000 horsepower with approximately 1,366 hours. The owner has spared no expense on mechanical pedigree, completing over \$86,000 in comprehensive MTU engine, turbocharger, and injector overhauls, alongside rigorous dock testing and sea trials to ensure peak performance. Further solidifying her impeccable seaworthiness are two extensive recent yard periods—which included complete bottom soda-blasting, barrier coating, premium Micron Extra SPC antifouling, and PropSpeed application—as well as fully serviced twin Kohler generators.

Beyond her formidable mechanics, the yacht boasts a striking visual presence and a luxurious, fully refreshed interior. Her profile is distinguished by a custom two-tone gloss and satin dark-grey exterior wrap, illuminated yacht lettering, and brilliant Lumitec Sea Blaze underwater lights. Inside, guests are treated to a climate-controlled sanctuary courtesy of a newly upgraded, \$41,000 air-conditioning and chiller system, complemented by professionally refinished flooring, upgraded upholstery, modern audio-visual equipment, and custom furnishings. Complete with recertified safety gear, a 1,320-gallon fuel capacity for extended cruising, and a 12-foot Zodiac JetDrive tender conveniently stowed in the onboard garage, this vessel is fully dialed-in and ready for her next adventure.
